

A Future Science Now!

Kirlian Photography

After seventeen years of photographing human energy in 30 seconds, we can produce a picture of your energy as it moves along electromagnetic highways in the physical body to reveal new information:

- mind powers
- phenomena
- therapies
- nutrition
- moods and
- death

Agnes Kraweck PhD
*Aura For Health Researcher &
Nutritionist*

states the author of the book
**Life's Hidden Forces - A Personal Journey into
Kirlian Photography.**

Transformational Workshop! Additional information: How thoughts reflect our consciousness - How to improve memory - Slow down aging - Why mystical experiences are occurring globally in young and old - What near-death studies reveal about the children of the new millennium.

Are you ***Connected*** or **Disconnected?**

Discover the underlying power that connects us all to the one source. Learn how to use this power for intentional purposes to enhance clarity of mind, wellness, and abundance. This power is revealed to be present everywhere, even in nature.

The first 15 people to register will receive a free photo of their energy and a brief analysis.

Admission Fee: \$99.00

Agnnes Kraweck Ph.D.

Independent researcher and graduate from Donsbach University School of Nutrition (California).

Agnnes is a world traveled international lecturer well known to radio and television audiences. She works closely with other researchers, scientists, medical doctors, chiropractors, psychiatrists and psychologists researching human energy, mental stress and nutritional imbalances and their effects on the body.

Agnnes has presented papers at the following: Educational Conference at the University of Saskatoon; Quester Conference at the University of Victoria, B.C.; Indian Affairs Education Conference, Saskatoon; Manner Clinic, Tijuana, Mexico; Visions of Tomorrow Conference, State University, Geneseo, New York; Evolutionary Challenges of the Mind Conference, Illinois, USA; Inner Vision Quest Conference, Geneseo, New York, USA; Kidney Foundation Conference, University of Alberta; William D. Cuts Community School, St. Albert, Alberta; Belrose Composite High School, St. Albert, Alberta; Naim Conference, Calgary, Alberta; Hair Arts and Sciences Conference, Quebec; Third International Conference for Medical and Applied Bioelectrography, Helsinki, Finland; Global Healing Conference, Edmonton, Canada. Kirlionics'98, St. Petersburg, Russia.

PROFESSIONAL BACKGROUND: Agnnes has owned and operated several businesses, has served on the Board of Alberta Advanced Education and Manpower, and was past president of the Wholistic Health Society and it's Educational Director.

NOTE: Agnnes Kraweck had a near death experience which created new awareness: she can now clearly see and define energy fields around living objects (Auric colours). This experience has led to further research on the human aura using Kirlian Photography and the Aura Meter.
